CHILDREN'S FISHING DERBY - SATURDAY, MAY 8

Mark your calendars for the Fishing Derby at the Lake, and watch for more information coming soon.

This is an annual event that you won't want to miss. Prizes are awarded in various age categories for the first fish, the biggest fish, the shortest fish, the most fish and the best non-fish item caught (you would not believe what we have pulled out of our lake). We will also award the most creative fishing hat! Watch for more information or if you are willing to help, contact Travis Salter at 323.6560 or Sara Cooney at 965-1737.

THANK YOU FALL PARTY ORGANIZERS AND HOLIDAY DECORATING CREW

The trustees would like to shout a big thanks to Susan Stephens and her committees for the wonderful fall party at the park and for assuring our subdivision looked great over the holidays. These tasks take a lot of work and commitment and all of the residents of Dougherty Lake appreciate it tremendously.

Discussions have begun regarding other activities this year, so if you have ideas and are willing to help, call the Communications Trustee, Carel Reynolds at 314.821.1818 and she will put you in touch with the appropriate committee.

WHY I ENJOY THE DOUGHERTY LAKE GARDEN CLUB: by Carel Reynolds

Have you ever considered learning more about your garden? I did, so I joined the Garden Club. Although I am not a gardener by any means, I love learning about flowers, and plants and ways to beautify my yard. Plus we have fun while we are learning. The garden club meets the 1st Thursday of the month at 7 p.m. at one of the members homes, with refreshments provided by the club. During our meetings we enjoy speakers and activities related to gardening.

You don't have to be an expert gardener to join. Members simply enjoy watching plants grow and getting together to talk about it.

The garden club also maintains the "Garden by the Lake" near the playground, which has been designed to attract butterflies. Stop by and check out what's growing.

For more information on the garden club, call me at 821.1818 or email me at carel.reynolds@sbcglobal.net.

Residents of Dougherty Lake Subdivision: We want your input! We are always looking for more information for our newsletters. Contact any of the trustees and share your story!

DOUGHERTY LAKE TRUSTEES REPORT

The trustees would like to thank the homeowners who attended the annual meeting in November. If Dougherty Lake Subdivision is going to continue to thrive, we need the input of the homeowners. The assessment increase that was passed will help us to continue to maintain our neighborhood as a first class place to live and raise our families. The annual meeting minutes and full presentation are posted on our website, www.doughertylake.org.

As promised, the new playground equipment is in the final planning stages and will be installed in time for summer play and we are obtaining bids for the repair and painting of the fence along Des Peres Road as well as new fences by the lake.

Welcome new residents of Dougherty Lake! As new homeowners move in, I am providing them a copy of our directory and our subdivision's Restrictive Agreement. If I missed you, call me at 966.8404.

- Anne Sandweg - 12921 Briar Fork Ct.
- James & Mindy Danner - 2309 Camberwell Dr.
- James & Laurie Tighe - 2419 Camberwell Ct.
- Lisa Gender & Brian Mandernach - 13109 Beaver Dam
- Terry & Karen Collidge - 12838 Haw Thicket Ln.
- John Kerans & Mary Cox - 12848 Stump Rd.
- Joseph & Mayuko McGuire - 12865 Crab Thicket Ln.

It has been brought to our attention that several mail boxes have been pilfered by thieves. Please be careful when placing outgoing mail in the box, especially over night. One item stolen was a box of bank checks, so it is highly suggested that you pick up your checks instead of having them mailed to your home.

It's time for a new neighborhood directory. Please fill out the attached form and return it to Carel Reynolds at carel.reynolds@sbcglobal.net or mail to 12962 Briar Fork Road, 63131. We are trying to go green and use email as often as possible for subdivision communications, so please provide us with your email address. If you do not wish to have your email address published in the directory, just mark the form accordingly.

With all of the new families moving into Dougherty Lake, we would like to remind everyone to be sensitive to their neighbors' needs and wants. Communication is a big part of enjoying everything our wonderful community has to offer. Our lots are small and houses are large so boundary issues will arise. If you are considering making changes to your property, please discuss them with your neighbors and consult the indentures. If you have questions, call a trustee.

Spring is here so now is the time to clean up yards and get ready for all the plants about to burst forth. Please place debris in trash or leaf bags for pick up by Des Peres. Anything that ends up in the street, washes directly into the lake causing silt. Folks along Des Peres Road should always keep the area under the fence line clean of debris to extend the life of our fence.

We have seen a lot of rain this year but if we should get into a dry spell, remember to water the trees. They are one of the greatest assets of our wonderful neighborhood.

Jim Harris, Trustee President

HONEY-DO!

There is a flurry of activity in our neighborhood and we can all use a good recommendation, so we've decided to bring back the Honey-Do column. Our intention is not to advertise or sell anything here, just to share information as a Dougherty Lake community services. Send me your suggestions or wish list and I'll publish it in the newsletter. Then we'll all help each other. Here is the start of what could be a great services.
